## Software Categories

## ERP Built from the Plant Floor Up

**Be ready for anything with manufacturing ERP from The Plex Manufacturing Cloud.**

The Plex Manufacturing Cloud is one of a kind. Unlike other enterprise resource planning providers, where manufacturing is just one more module, our solution puts the plant floor front and center. Why? Because the plant floor is where your business begins, where innovation occurs and profits are made. Experience manufacturing-ready ERP, built from the plant floor up and delivered from the cloud.

Enterprise Resource Planning (ERP)

Business Intelligence (BI)

Customer Relationship Management (CRM)

Manufacturing Execution Systems (MES)

Quality Management System (QMS)

Supply Chain Management (SCM)
