## ABOUT

GLOBAL LEADERSHIP

CAREERS

“ *Defeating the Threat.*™

Allen-Vanguard is a leader in providing customized solutions for defeating terrorist and extremist threats, including Radio Controlled IEDs (RCIEDs). Defense Forces, Public Safety & Security agencies around the world trust our Counter-Threat Solutions and Mission Systems to provide integrated capabilities to help save lives every day.

Allen-Vanguard's Intelligence, Training and related services are developed and delivered through its Counter-Threat Solutions team of subject matter experts. Their front-line experience in combat theatres, law enforcement and intelligence ensures that customers receive the analysis, advice, training and support necessary to foresee and prevent current and emerging threats. These services are delivered at the strategic, operational and tactical levels and also to non-governmental and commercial organizations.

Users in worldwide trust Allen-Vanguard's Mission Systems products for personal protection and to complete their dangerous missions. This battle-proven equipment is developed in close collaboration with end users and is tested to perform as an integrated system in the harshest conditions.

To learn more about how Allen-Vanguard can provide your organization with a customized and integrated solution, please [contact](#) your authorized Allen-Vanguard representative today.
