

DAVID AUSTIN®

Juliet (Ausjameson)

'Juliet' has large, elegant flower heads in the form of deeply cupped rosettes. When fully open, Juliet's blooms reveal many neatly arranged petals nestling in folds within the heart of the bloom. The soft, sophisticated shades of peach combine well with other colors, creating a feeling of warmth and romance.

'Juliet' has a very light tea rose fragrance. It is one of the best-loved and most popular of David Austin's cut roses. 'Juliet' was named for the romantic heroine of Shakespeare's Romeo and Juliet.

Vase life: 6-7 days

Petal count: 90

Stem length: 30cm to 60cm
