### Why We Love This

Big D quality and features in this top of the line turnout!

### Favorite Features

- Waterproof 2100 Denier rip-stop outer with double sewn heat-sealed seams, reinforced stress points and tailored rear darts (not just folded) make this blanket wear like armor
- Durable 210 Denier taffeta show coat lining leaves the coat looking smooth
- Toasty warm 300 gram fiber fill lining
- Tailored shoulder gussets together with the VELCRO® brand and double front closure prevent sagging and rubs
- Blanket twisting and turning is minimized with adjustable surcingles and removable leg straps
- Longer cut, self closing tail flap protects the hindquarters from wind.
- Fleeced wither

Imported.

Please note: We recommend placing embroidery on a surcingle. Embroidery on the body of the blanket may interfere with the blanket's waterproofing ability.

Q & A

SmartPak customers are some of the most conscientious animal owners around. We encourage you to share your experience with the products we sell to help fellow customers to make informed choices for their animals. We do not edit these reviews in any way - they are direct customer-to-customer communication. We do monitor reviews for positive and negative feedback, and use this feedback to improve our selection as well as sharing feedback with product manufacturers to help them improve their products. Please note that we recommend consulting your vet with serious health issues.

### Meet the SmartPakers

Paige and Bentley

I became a rider at the age of eight when I had my first English lesson on an Appaloosa named Heaven. Of course, I fell in love and remained taking lessons and finally got my first horse, a Morgan named Trevor...
