Product Description

Glow pets are the amazing light up pets that are also an extra comfy, soft pillow. Simply press the button and your pet will turn on a soft glowing light that creates a magical environment to help your child fall into a restful sleep. They are also great for playtime, sleep overs, story time, or anytime. Each pet has LED lights that create a glow without producing any heat and the built in timer automatically shuts the light off after 20 minutes.

Superb product, copied but not beaten!

Friendly and helpful on the telephone, good delivery, good to talk to at exhibitions.
