DUCK COLORSHIELD KIT
BY **THE ART NANNY**™
Create your own unique artwork!
Never have the same outcome!
If you can hold a Crayon, you can do this!
* See reverse for Detailed Instructions.

It's **UP TO YOU** to **BE THE ARTIST**, add detail as you desire!
Maybe a pond in the background or duck in the bathtub! Be Creative!

INSTRUCTIONS: Read all before start!

1. Place the StripShields around the border of your paper, make sure they are flat.
2. Place the Duck ColorShield on your page
3. Using Crayons design your background.
4. Using water to bring your paint jar to life, paint your entire page as desired. You can paint over the decals, do not worry!
5. Give the paint a moment to DRY.
6. Once DRY, carefully remove the Duck ColorShield.
7. Using your Orange Crayon add the duck's beak and black crayon for an eye.
8. Carefully remove the boarder StripShields.
9. Don't forget to sign and date your work!
10. Turn fame to back and open. Take the frame apart to assemble the glass in front of your artwork.
11. Hang your work proudly!
