

TALL SHIP COLORSHILED
 BY THE ART NANNY™
 Create your own unique artwork!
 Simple Step-by-Step Instructions
 Never have the same outcome!
 If you can hold a Crayon, you can do this!
 * See reverse for Detailed Instructions.

MATERIALS INCLUDED:

- ColorShields
- Art Paper
- Paint & Paintbrush
- Crayons
- Complete Frame with glass ready to hang

ADDITIONAL ART MEDIA NEEDED:

- Scissors
- Water in a container to clean brush

INSTRUCTIONS: Read all before start!

1. Place the StripShields around the border of your paper, make sure they are flat.
2. Place the Boat ColorShield on near the bottom half of paper.
3. Cut the Triangle ColorShield into triangular shapes and place above the boat, 2 or more!
4. Draw clouds with the White Crayon in the sky
5. Draw the mast of the boat with the Black Crayon.
6. Using water to bring your paint media to life, paint your sky as desired. You can paint over the ColorShields, do not worry!
7. Paint your water with the green paint jar as desired. Use wavy lines to make the water have movement.
8. Give the paint a moment to dry
9. Once DRY, carefully remove the Boat ColorShield, paint the space brown.
10. Remove the Sail ColorShields and paint as desired, you can add design w/crayons before!
11. Carefully remove the boarder StripShields.
12. Don't forget to sign and date your work!
13. Turn fame to back and open. Take the frame apart to assemble the glass in front of your artwork.
14. Hang your work proudly!

It's **UP TO YOU** to **BE THE ARTIST**, add detail as you desire!
 Maybe you would like to add a smaller boat in the background or people aboard.
