Popularity of the Name Adena

This name is not popular in the US, according to Social Security Administration, as there are no popularity data for the name. This doesn't mean that the name Adena is not popular in other countries all over the world. The name might be popular in other countries, in different languages, or even in a different alphabet, as we use the characters from the Latin alphabet to display the data. A derivative of the name might also be popular in US. Try searching for a variation of the name Adena to find popularity data and rankings.

Note: If a name has less than 5 occurrences in a year, the SSA excludes it from the provided popularity data to protect privacy.

Adena Girl Name Popularity Chart

Note: The data above is from the Social Security Administrator of United States, (more info [here](#)) from Social Security card applications for births in US for every name, from 1880 up to the present year. The gender associated with the name might be incorrect, as the data presents the record applications without being edited for errors. The name's popularity and ranking is announced annually, so the data for this year will not be available until next year. The more babies that are given a name, the higher popularity ranking the name receives. For names with the same popularity, the tie is solved by assigning popularity rank in alphabetical order. This means that if two or more names have the same popularity their rankings may differ significantly, as they are set in alphabetical order. If a name has less than five occurrences, the SSA excludes it from the provided data to protect privacy.
