

(1) How are applicant's services advertised or otherwise offered for sale? If advertised online, identify the websites and provide copies of the webpages showing the services for sale. If advertised in printed newspapers and publications, provide copies of the print advertisements. And if advertised or otherwise offered for sale using another method, provide documentation showing the services for sale using the other method.

The goods are sold online.

<https://www.ebay.com/itm/173288817730>

(2) Was the specimen created for submission with this application?

Yes.

(3) Does the specimen show applicant's storefront and/or delivery vehicle as it currently appears in the rendering of the services?

No.

(4) How is applicant's mark used in the actual rendering or performing of the services? Provide photos and other documentation showing how applicant's mark is actually used when the services are being rendered or performed.

The screenshot shows an eBay product listing for an "Ultrean 4 Liter, 4.2 Qt, Extra Large Capacity 1500 Watt Electric Deep Fryer". The listing includes a product image of the black and silver fryer, a price of US \$299.99 (approximately RMB 1,910.34), and a "Buy It Now" button. The seller is identified as "nekteck-direct" with a 99.7% positive feedback rating. The listing also shows shipping information, delivery estimates, and payment options including PayPal, Visa, and Mastercard. A "People who viewed this item also viewed" section is visible at the top, showing five other similar fryer listings with their respective prices in RMB.

(5) Please provide copies of invoices, bills of sale, or other documentation of sales of the services.
