

Class 37

The wait is over! In partnership with Petty's Garage, Military AutoSource (MAS) is proud to reveal the first ever Petty's Garage Warrior Mustang. This amazing, limited edition Mustang is available exclusively through Military AutoSource to members of the U.S military serving overseas. With only eight vehicles produced, the Petty's Garage Warrior Mustang delivers all the adrenaline-pumping excitement you would expect from these two performance icons: Richard Petty and the Ford Mustang. This well-equipped Mustang is enhanced with a Ford Racing supercharger producing 670 horsepower and 545lb.-ft of torque. Combined with custom Petty's Garage components and Warrior design cues, this Mustang is a must have for all performance enthusiasts.
