

# What is FIELD?

 FIELD BOTANICALS · FRIDAY, JUNE 15, 2018

Founder Jennifer Tinsley started FIELD with the vision to provide affordable skincare products made from plant based ingredients you can pronounce.

FIELD launched in September 2018 with three Smell Me, I'm Cruelty Free products that naturally minimize body odor and provide all day freshness. FIELD products are Leaping Bunny certified and vegan, and free from parabens, phthalates, synthetic color, synthetic fragrance, sulfates, petrochemicals, & ethoxylated ingredients.
