APL® x HICKIES®

Introducing the APL® Techloom Pro

Sneaker x HICKIES® Laces. This duo provides all of the same top-level performance of the original Techloom Pro that we know and love, now with the added comfort and convenience of a slip-on. Shop the exclusive online collaboration while supplies last.

SHOP COLLABORATION

November's Color of the Month: **Terracotta**

A burnt amber with red clay undertones, this earthy shade is inspired by gum sole sneakers and spiced orange hues.

SHOP NOW

How It Works

Designed to make your sneakers insanely comfortable slip-ons that always stay in place.

WATCH DEMOS

"The idea of an alternative to the traditional shoelace is gaining traction now."
