**CONSENT TO REGISTRATION**

Diamond Innovations, Inc., a Delaware corporation with an address at 6325 Huntley Road, Columbus, Ohio 43229 ("Diamond Innovations") is the owner of the entire right, title and interest in and to United States Trademark Registration No. 4,218,398 for the word mark HYPERION covering "abrasive preparations for polishing, lapping, sawing, or grinding in the aerospace, power generation, automotive, construction, renovation, electronic, glass, oil and gas, mineral exploration, mining, tool and die, stone and woodworking industries" in International Class 3 with a filing date of August 11, 2010, registration date of October 2, 2012, and date of first use of July 8, 2010.

Sandvik Hyperion AB, a Swedish limited liability company with an address at Lerkrogsvagen 19, Stockholm, Sweden 12680 ("Sandvik Hyperion") is the owner of the United States Trademark Applications for the stylized H HYPERION marks below:

 **HYPERION** covering "sharpening preparations, namely, abrasive paste; polish powder; abrasives as powders and slurries; flexible abrasives; grinding preparations, namely, abrasive sand; polishing pastes and compounds; corundum for use as an abrasive" in International Class 3 with a filing date of October 18, 2017 - Serial Nos. 87/650,833

 **HYPERION**  
Materials & Technologies covering "sharpening preparations, namely, abrasive paste; polish powder; flexible abrasives; grinding preparations, namely, abrasive sand; rubbing cream, namely, polishing creams; corundum for use as an abrasive" in International Class 3 with a filing date of June 29, 2018 – Serial No. 88/020,635

 **HYPERION**  
Materials & Technologies covering "sharpening preparations, namely, abrasive paste; polish powder; flexible abrasives; grinding preparations, namely, abrasive sand; rubbing cream, namely, polishing creams; corundum for use as an abrasive" in

International Class 3 with a filing date of June 29, 2018 - Serial No. 88/020,639.

Diamond Innovations and Sandvik Hyperion are sister companies jointly owned by Hyperion Materials and Technologies, LLC, a limited liability company organized under the laws of Delaware with an address at 6325 Huntley Road, Worthington, Ohio 43085.

Diamond Innovations hereby gives its full and complete consent and approval to the use and registration by Sandvik Hyperion in the United States for the goods listed in International Class 3 for the following applications and corresponding marks: HYPERION & Design (U.S. Trademark Application Serial No. 87/650,833), HYPERION MATERIALS & TECHNOLOGIES & Design (U.S. Trademark Serial No. 88/020,635) and HYPERION MATERIALS & TECHNOLOGIES & Design (U.S. Trademark Serial No. 88/020,639).

Such consent is based upon the fact that as sister companies the parties are able to work closely together to diligently manage and monitor the use of the respective marks in connection with the goods in a manner that prevents consumer confusion.

In the event that actual confusion occurs between the two marks, the parties will inform the other party and work together in good faith to resolve such confusion.

This Agreement is binding upon the officers, directors, principals, partners, employees, related entities, licensees, successors and assigns of Diamond Innovations and Sandvik Hyperion.
