Product description

MOXE was made to help you take control in a world that feels more uncertain than ever. We created our Aromatherapy system with the vision that you'll be able to pick and choose how you want to feel at any time. Our aromatherapy pens are not e-cigarettes, nor are they vape pens. They do not contain nicotine, or dangerous chemicals such as diacetyl. To use your MOXE, simply inhale gently for around 3 seconds and then slowly exhale through the nose. The various blends of essential oils will each have a different effect!

TRUST ME, YOU NEED TO TRY THIS!!

I heard about Moxé from a friend and decided to give it a try, I AM SO GLAD I DID. This product has helped relax me more and enhance my moods with also receiving essential oils needed. The product has a great taste to it and comes in a durable form. My expectations were not too high because there area a lot of gimmick skews associated with the vaping industry, but this one works. I love the fact that it is organic too! Highly recommend to anyone and everyone as you will see a positive impact on your life.

Big fan.

This has lasted for a long time. I use this maybe 2-3x a week. I leave it in my purse so when I feel anxious about the day I give it a few puffs. It smells wonderful. I don't know if I'm sold on the oils calming me more than the deep breathing alone, but it's a fun product and at the end of the day it's been a helpful method for calming the nerves.

Burning but cheap

Came on time and is a good price, but really doesn't taste that great and as another commenter mentioned:leaves a bit of a burn. If price is your only concern then get it, but if you prefer something that actually feels nice to use there are other products.
