SLAY

At Slay, we are passionate about modernizing the salon experience and supporting the growth of small businesses in the process. That's why we've created this easy to use, cashless beauty pass. We've partnered with Miami's best salons and provided them with an extra source of revenue to promote their growth. Book your appointments with just a few taps and help us build a brand that is inclusive and empowering.

It's a new way of doing things. We call it Slaying.
