About Us

King Show Games has the development expertise to create ground-breaking and exciting games.

Since 1998 we have been creating and developing innovative games that have been played in casinos around the world. KSG has created mega-hits like Lucky Larry's Lobstermania and Stinkin' Rich. Our talented team of artists, engineers and mathematicians have designed over 200 games, and we have licensed titles being played in countries all over the world.

Some of our most successful games are State Fair, Phone Tag, Price Check, Super Sally's Shrimprmania, Lucky Larry's Lobstermania, Stinkin' Rich, Ghost Island, Lucky Larry's Lobstermania 2 and the Hot Roll series.
