Solstice 10 - Ebony

## HISTORY

Milford is a luxurious watch winder and watch box brand developed by BillStone. Milford products are designed for first-class clients who want nothing short of perfection, who demands the best for their expensive automatic watch collection.

We choose the best wood material, interior lining, hardware, and electronic components and put them altogether to create the perfect masterpiece in each and every Milford product that we manufacture.

The Milford brand is first launched in Denmark in 2017, followed by France and Germany. As of now we have sold our products in West and East Europe, the Middle East, North America, and Asia. By paying attention to product quality and optimally winding automatic watches, Milford has come to be a brand trusted by high-end watch collectors.

## OUR TEAM

Our team comes from strong engineering and design backgrounds including manufacturing and design in one of Europe's top watch winder brand, VVIP aircraft retrofitting service in Seattle - USA, and panic-room engineering & manufacturing in Asia.

TOGETHER, OUR  
TEAM PRODUCES  
EXCELLENT WATCH  
WINDERS WITH THE  
HIGHEST QUALITY.

LUXURY MUST BE  
COMFORTABLE,  
OTHERWISE IT IS  
NOT LUXURY

## MILFORD CLASSIC WATCH WINDER

The Classic Watch Winder series by Milford comes with customizable rotation direction and TPD (Turns-Per-Day) settings. These settings are easily adjusted with user-friendly analog controls. The Classic Watch Winder is designed for the modern gentleman who wishes to take good care of his automatic watch but at the same time wants the practicality of analog control watch winders.

**1 HIGH-QUALITY LEATHER FINISH**  
The watch winder is wrapped with high quality faux black leather, and the interior is wrapped with silkline, which is our custom material that resembles silk and is friendly to your watch strap.

**2 ROTATION MODE**  
The Milford Classic watch winder is controlled with a set of analog switches that controls the TPD (turns per day) and rotation direction.

**WATCH PAD - FLEXI-PAD**  
The watch pad is made of flexi-pad that adapts to the size and shape of the watchband. The flexi-pad material will not stick to or damage leather, steel, ceramic, cloth and rubber watchstraps.

**3 POWER SOURCE**  
The Milford Classic watch winder can be powered by either battery only, electric adaptor (110V – 240V) only, or both battery and electric adaptor.

**1 YEAR LIMITED WARRANTY**  
All Milford watch winders are covered by a 1 year limited warranty that covers electronic spare parts.
