CUSTOMER SERVICE

Welcome to a World of Style, Craftsmanship and Extraordinary Details

Since 1974, Carriage House has provided customers with quality cabinetry and best in class service. As a premier distributor, we focus on providing an all wood framed cabinet that exceeds our customer's expectations. Carriage House Cabinet Collection has proven to be the foundation of every cabinet project. Our door styles, with a Valspar finish, applied moulding details, and hand glazing will define your personal space, while reflecting your unique taste and individual style.

Over 40 years later, our product line has broadened to include cabinetry and storage solutions to help enrich your designed living space.

Our mission is to form lasting relationships with quality dealers, by providing the best in class products and services.
