

Recruiting World-Class Talent

Serving Multiple Industries...

Grapevine Staffing is a National Search Firm serving diverse Fortune 100 – 500 global organizations providing retained and placement services. Our primary focus is identifying exceptional talent for Manufacturing, Industrial, Diagnostic, Environmental and Consumer Product organizations. We pride our success on learning our client's philosophies and establishing core values that reach beyond our client's business principles. With every client and candidate, we consider culture, education, experience and long term goals resulting in lasting engagements.

What makes Grapevine unique?

- We travel around the world to meet clients and prospective candidates face to face and build a hands on network. We attend tradeshow related to our clients (ASMS, Modex, ProMat, Process Expo, Kitchen & Bath Expo and many more). Here we find current & future talent, learn about our customers' competitors and new products in the market space. We like to be educated on our clients' markets and trends.
- We engage in advanced IOT recruitment processes.
- Our interview process includes an in-depth interview to understand each candidate's history. We are committed to setting the highest possible standards of quality, integrity and professionalism. We make it our business to have a unique awareness of people and advanced connections finding you your top talent.

EXHIBIT C

We have contacts throughout the world and have direct access to candidate profiles that we have compiled over the years. Let us put our seasoned team to work for you. We have recruiters with strong references of fast fill rates with quality candidates.
