3) Was the specimen created for submission with this application?

—Answer: No, it was not.

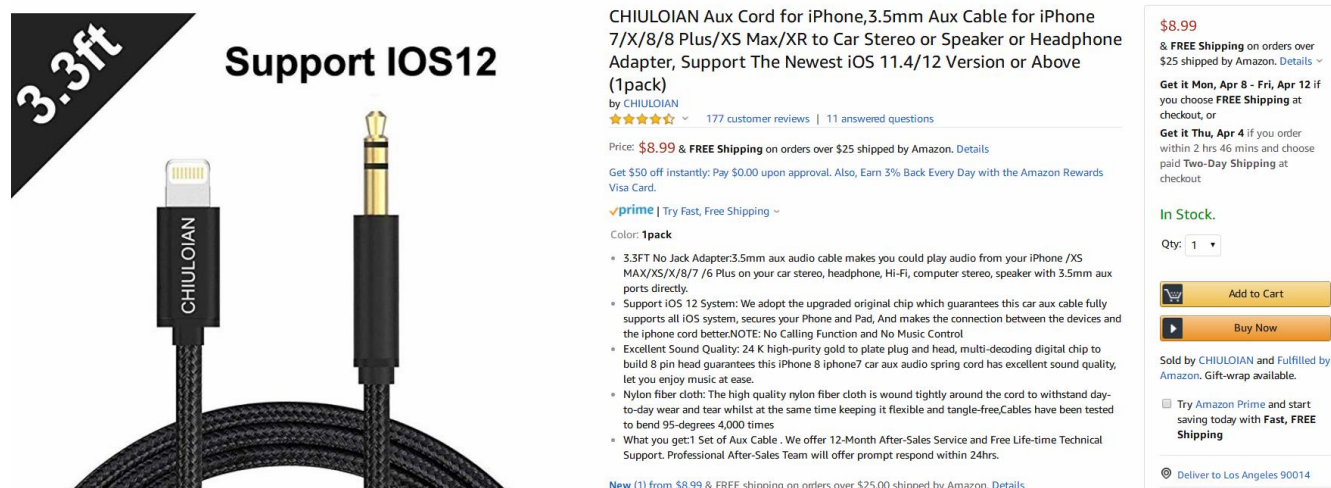

4) Does the specimen show applicant’s product as it is currently being sold to consumers?

—Answer: Yes, it is.

5) How do applicant’s goods appear in the actual sales environment? If sold in stores, provide photos showing the goods for sale in the stores. If sold online, identify the websites and provide copies of the webpages showing the goods for sale. And if sold in another type of sales environment, provide photos and/or documentation showing the goods for sale in that environment.

—Answer: The applicant’s goods are sold on Amazon in the following link:
