Over the years our business has planted deep roots in Taiwan, and developed strong bonds with this island and its people.

We contribute to Taiwanese society by supporting charitable programs, helping people who are physically challenged as well as promoting art and cultural events.

JTI currently has approximately 270 employees located in its Taipei, Taichung and Kaohsiung offices. Our people enjoy working in an environment inspired by diverse cultures and fresh thinking.

Enterprising, Open and Challenging are our core values which help motivate us to maintain the highest standards and act with integrity in all that we do.
