Product headline

"Hyaluronic Freeze-Dried Eye Patch" Dissolving Hyaluronic Eye Patch that penetrates deep into skin-!

Product - Description

Infuses freeze-dried sponge-type HA eye patches under eyes and crow's feet with each pre-measured vial-serum that "instantly melts and dissolves" to be fully penetrated and absorbed deep into skin to help moisturize skin and look more youthful Recommended to use once every 2~3 days at night time and leave on overnight

Product benefits

The most highly concentrated and the purest HA Eye Patches that are made of 99.996% Hyaluronic Acid + 0.004% Camelia Oil with "preservatives and chemicals completely free" Uses only selective low molecular weights of HA to allow high skin permeability into deep skin for the maximum results of plumping and keep hydration to enhance dark circles, fine lines, wrinkles, and dryness. Immediate and accumulated results in lifting, firming, moisturizing, and enhanced elasticity One time application of HA Eye Patches allows its efficacy to last for 2~3 days A perfect nighttime eye treatment – for firmer, tighter, brightener, smoother in skin texture

Why the product/formulation is innovative?

1. Patented method in the production of freeze-dried sponge with low molecular weight HA that dissolves and melts instantly when infused with hydra-booster and its use for skin cosmetics and atopic dermatitis 2. Skin Permeability Clinical Tests: (1) "in-vitro": "Neoderm Test" to prove its skin permeability (2) "in-vivo": Shows the slower degradation of HA once permeated into deep skin layer as good amount of HA still remains even after 24 hours 3. Innovative Eye Patch that erases fine lines and wrinkles, brightens dark circles, hydrates and lifts instantly and for days
