### REEVES SUPPLY THE EXPERTS IN AG. HOUSE COOLING, PLUS MORE!

**WHO WE ARE**

Reeves Supply was started by Wayne and Hazel Reeves on August 1, 1996 from the basement of their home.

In late 2017, the company was purchased by **L.B. White Company**, a leader in leading global manufacturer of **forced air heaters, brooders, tube heaters, handheld gas torches, convection heaters, and portable heaters.**

**WHAT WE DO**

Reeves supply has grown from its humble beginnings to an industry leader in **evaporative cooling systems.**

After joining with L.B. White Company, they have become leaders in the poultry building, swine facility, and **greenhouse cooling** and heating industries.

**WHY CHOOSE US**

Reeves Supply takes great pride in providing quality greenhouse and **agricultural climate control** products at competitive prices with the best service in the industry.
