

## KNOW where your friends are.

**Step 1** enter your number and select your carrier to receive a message from yolo.mobi.

**Step 2** open the text message and go to the link in your mobile browser to quickly set up your profile.

**Step 3** report your location after registration.

**Step 4** add your friends! and once they accept your invitation, you can see where they are located at anytime!

**Have fun and be safe!**
