

LISTEN – OBSERVE – ORIENT – KNOW. Situational awareness is knowing what is going on around you and determining whether any health and safety threats exist.

Our knowledge, experience, and education can enable us to understand the immediate environment and allow us to make the best decision to help us remain safe.

Supervisors should focus on situational awareness as a means to provide the safest possible environment for employees.

Join us on Tuesday, April 2 as we introduce LOOK and train you to use your senses to LISTEN, OBSERVE, ORIENT, and KNOW.

WHAT: LOOK Situational Awareness Training

WHERE: Hilton Garden Inn, Mobile AL

WHEN: Tuesday, April 2, 2019 10:00 AM – 4:00PM

WHAT WILL YOU LEARN:

How to use your senses and your knowledge of a situation to:

- Create a safer work environment.
