

Our company: Zhejiang Yuncheng Network Technology Co., Ltd.

As a full-service flag company, we offer a wide spectrum of printing products including Flag, Banner, Scarf, Bandana, Bag for decoration and promotion,

our design, development, production, QC/QA and shipping (approximately \$8,000,000 USD of annual output) are all top-notch and comprehensive. Our 14,000 sq/m facilities and 150+ shop floor staff enable us high capacity. For example, our capacity for flags is 900,000 pieces/month, and 250,000 pieces /month for scarfs. Lead times on all orders, are faster than competitors. We know that time is money for you, so we work with a sense of urgency but also in a careful, detailed, efficient manner.

With precise communication, responsive service (emails answered the same day - within two hours if possible), and constant use of direct customer feedback we strive for and achieve daily improvement. Asking ourselves each week what we can do better, and how. Consistent improvement, moreover, directly translates to higher productivity and lower costs, creating value to pass on to end-users through our wholesale partners.

We sell goods through wholesale and online, the specimen was not created for submission with this application, the specimen show applicant's product as it is currently being sold to consumers.
