

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

U.S. Trademark Application No.:

88/168,355

Date Filed: October 24, 2018

Applicant: N3, LLC

Mark: MIA

Examining Attorney: Jean H. Im

Law Office 101

Attorney Docket No. N3-0003

RESPONSE TO OFFICE ACTION

This correspondence is in response to the Office Action dated February 6, 2019.

Identification of Goods and Services

The Office Action asks for an edited description of goods: Applicant has taken the Examining Attorney's suggestion and provides the following as an updated description of goods:

Class 9: **Downloadable** voice command and recognition software for sales and business consulting services **for live customer telephone calls for business to business sales and for displaying, organizing and analyzing the data, in the field of** business to business sales and research services and consultancy with regard to business development, marketing, customer demand creation and lead generation activities.

Specimen

Applicants attach a Substitute Specimen evidencing use of the mark for use in the examination of this application. Applicant encloses herewith a Statement that the Substitute Specimen was in actual use in commerce at least as early as the filing date of the application.

Conclusion

We concur with the Examiner's recommendation to modify the recitation of the goods. We submit, therefore, that this application is in order and registration of this mark is solicited.

Respectfully submitted,
