

Bemis Healthcare Packaging, Inc.
 755 Industrial Loop Road
 New London, WI 54961 - 2600
 Country of Origin: US

Nelipak Healthcare Packaging

Item No: **PERFECFLEX 100500**

- Recommended Storage Instructions:**
1. Products storage recommended at a temperature of 60° F to 75° F (15° to 21° C) and relative humidity of 30% to 65%. Avoid extremes of temperature and humidity.
 2. When it's cold, material should be acclimated to room temperature (65° F to 75° F or 18° to 24° C) for at least 48 hours before using.
 3. Store in clean, dry place, several inches off floor, away from direct heat and exposure to direct sunlight.
 4. Keep in original container until ready for use. Re-wrap unused portion before storing again to prevent deterioration.
