Best Answer: xp is a smiley.

x would be like >< only close together, so two eyes and p is the tongue. some people write XP, so xp in capitals. its the same thing. just a smiley.

Its Actually a face :) its Basically A happy face like

Example:

- xD - Lauging
- xP - Funny
- XO- Shocked

The X is basically represented closed eyes, you know? like when your laughing really really hard and your face bunches up.. Maybe thats just me but.. ahah Hope I helped :P

Its supposed to be someone clenching their eyes closed and sticking out their tongue. It means something like "haha i'm being silly".

It actually means something totally stupid. But over the years people started to think it was a facial expression.
