SERVICE MARKS**

TRADEMARK IDENTITY CERTIFICATE

Intellectual Property Code – Book VII

Art. L. 712-1. - The property trademark is obtained by the registration. The trademark may be obtained in co-property.
The registration is available up to filing date and for a term of ten years that is indefinitely renewable.

Art. R 714-7 – All transfer or modification of the laws attached to a registered mark has, to be enforceable against third parties, be registered to the National Trademark Register.

Art. R 714-2 - The National Trademark Register is held by the National Institute of Industrial Property.

For each mark shall be shown therein:

1° The identification of the applicant and the references of the application, as well as the subsequent acts concerning the existence or scope of the mark;

2° Any acts modifying the ownership of the mark or the possession of the rights deriving therefrom; in the event of claim to ownership, the corresponding summons;

3° Any changes of name, legal form, or address together with any corrections of clerical errors relating to entries.

No entry shall be made in the register as long as the application is not published under the conditions provided in the article R 712-8 of this decree.

Art. R 714-8 A reference of all registrations with the National Trademark Register are subject to be entered into the Official Bulletin of Industrial Property.

All interested party may obtain from the Institute:

1° An identity certificate comprising the model of the trademark, information concerning the filing and the registration, where necessary, the restrictions to the list of goods or services resulting from a withdrawal, renunciation or a judicial decision.

2° A copy of the registrations entered into the National Trademark Register;

3° A certificate showing that no registration exists.

The Director General of the National Institute of Industrial Property certifies that the mark as it appears on the next page has been registered and published in the Official Bulletin of the Industrial Property.

X The mark is not subject to any restrictions with respect to the list of goods or services resulting from a withdrawal, waiver, or court decision;

The mark has been subject to a restriction with respect to the list of goods or services resulting from a withdrawal, waiver or court decision, a copy of which is attached to this certificate
(document(s));

The mark has been subject to a decision revoking all or part of the registration (attached to this certificate);

The mark has been subject to the renewal declaration(s), a copy of which is attached to this certificate;

The mark has not been subject to a renewal declaration.

Created in Lille, the 26 Nov, 2018
