Subject: May This Never End - request for wall art

Message: I love your work "May This Never End" that is currently displayed in Boston. It mentions some of life's more daunting realities ("nothing is for keeps"... "entire life searching") yet it somehow retains a message that is wholeheartedly optimistic and hopeful. I'd love to obtain a piece of wall art (print, canvas, etc.) or a poster with the full message; ideally something that could be easily hung inside a living room or bedroom. Have you ever created such a thing with this message / would you be willing to?

Thank you for your time!

Hello!

We don't have a print of it - but maybe we could find one, or somehow create a small version of it. Would you be interested in that?

:)
