My name is Aimee Wing and I have a second grader at National Teachers Academy (a 1+ Rated elementary school) in the Southloop. I saw one of your installation on the side of jewel on Clark st and thought this would be an amazing installation for our school. What steps would I need to take to make this happen

Thank you

Hi Aimee,

Thanks for reaching out! Sounds fun :)

We'd love to chat more about this. I'm copying Shae here, and it might be great to all hop on a call together?

:)

Hi there!

Thanks for getting back to me! I'd love to talk to you guys about this. Full disclosure, I'm not a staff or faculty at the school, I'm just a parent of a student. I don't know if you guys would like me to talk to our principal about this project before we talk.

Best time for me would usually be in the evenings. My cell phone number is (773) 454-3668.

Let me know your thoughts

Aimee

Hi Aimee!

Sounds like a plan! Once you speak with your principle, we'd be happy to hop on a call an fill in any details you're thinking about.

Thanks!

Shae

Hi there

Great! I will get in touch with Mr C and see what his thoughts are.

I know one question would be the cost of this project...would you be able to give me a ball park figure that I could tell him?
