Hi Matthew,

First of all, congratulations on the success you've seen through your art. I'm a big fan of your work!

We started [Muros](#) to help local artists easily connect with businesses/organizations who are interested in commissioning murals or art installations. Our clients range from residential property developers and large brands to local breweries and businesses.

We have a couple projects coming into the pipeline soon that I believe you would be a great fit for. It would be awesome to connect with you and see what type of projects you're interested in taking on.

Do you have some time to hop on a quick call next week? Let me know when works best, thanks!

Hey Matthew,

I hope all is well! I'm following up on my last message. We have a few projects coming up that I'd love to toss your hat in the ring for. I'd love to learn more about your mural work and what type of projects you're currently interested in. Do you have some time to hop on a quick call tomorrow?

Let me know when works best, thanks!

Hey Mateo,

Great to hear from you! I'd love to chat more about this with you!

I could hop on a call tomorrow or 11am, or Thursday I'm quite flexible most of the day.

:)

Hey Matthew,

Let's do Thursday.

How does 11am sound? I'm also based in Chicago if you want to meet in person. I'll shoot over an invite either way.

Let me know, thanks!

Hey Mateo,

That sounds great! Would you want to come over the studio, and see what we have going on?

If that's of interest, we're at 3368 N Elston, 60618 - right across the street from Honey Butter Fried Chicken. Otherwise a call is great!

:)

Hey Matthew,

I honestly would love to come by the studio if you're going to be there and it's not too much trouble for you. I live in Bucktown so I'm not too far away.

Let me know and I'll shoot over an invite with the details.
