Hey Rika,

We'd LOVE to! I'm connecting you with Shae here, who handles getting these projects going - but let's make it happen :)

Hi Rika!

Thanks so much for reaching out! Is there a good time this week for you to chat over the phone? We're here Monday-Friday 9-5p.

Additionally, I'm sending through a questionnaire for you to look over that we send to all install inquiries to gather as much information before the onset of any project. It more or less outlines the components that go in to each installation, and can be a helpful reference. I've also included an image that shows many of the installations, and murals we have done around Chicago. It may be helpful for you to point to something specific as you think of what you would like to see in the installation.

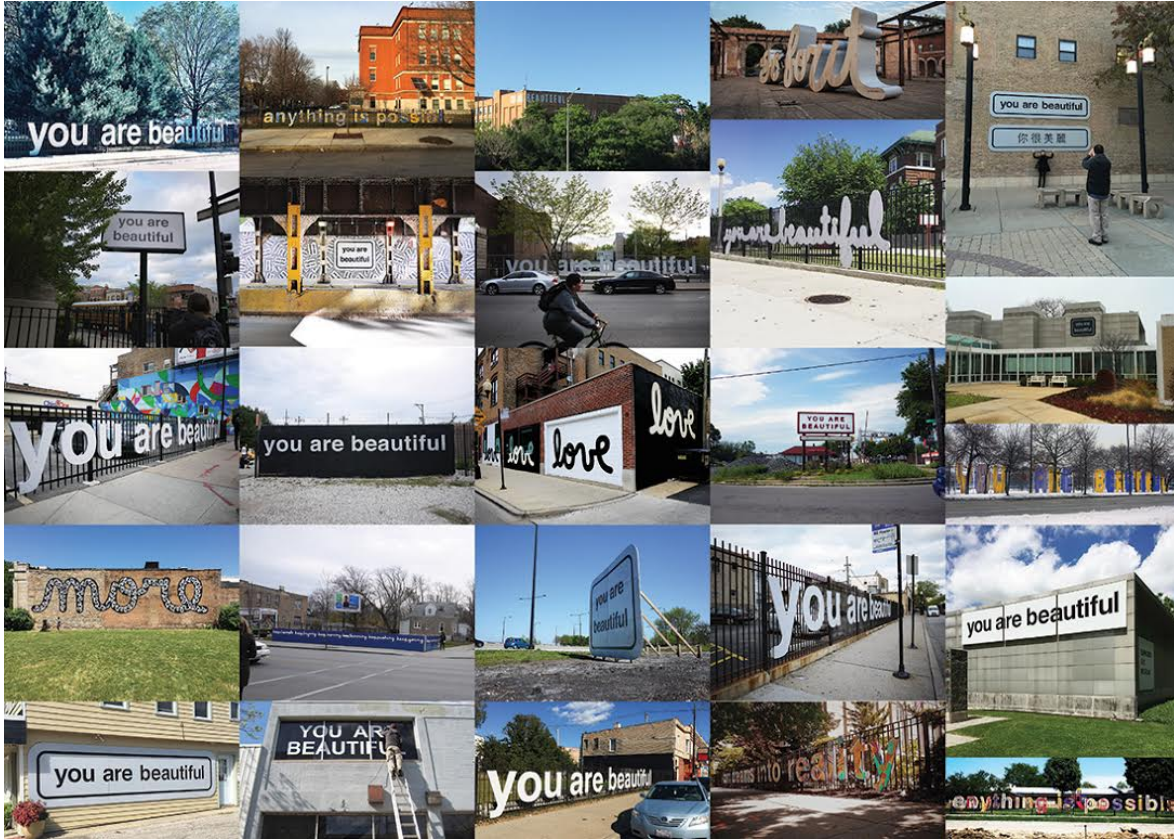

Institution/Space Name(s):**What is Your Budget:**

What is Your Desired Timeline:

Do You Have a Location in Mind?

If So, Do You Have Permission to Use The Space?

More Details About What You're Looking For:

Please let me know if you have any questions :)

Thanks!
Shae
