## Welcome to COSMOS

### Navigate the Compliance Universe

COSMOS is the new online platform from the Society of Corporate Compliance and Ethics & Health Care Compliance Association.

Created by compliance professionals for compliance professionals, COSMOS provides proven, practical content. Its powerful search and links to relevant resources help you access the latest compliance resources quickly and easily, from your computer, tablet, or phone.

Search, preview, and purchase our publications for in-depth compliance and regulatory knowledge, up-to-date information, practical examples, tools, and advice.

#### About SCCE

The Society of Corporate Compliance and Ethics (SCCE) is a non-profit, member-based professional association. SCCE supports our members' work with education, news, and discussion forums. We are a community of leaders, defining and shaping the corporate compliance environment across a wide range of industries and geographic regions. In developing and maintaining effective ethics and compliance programs, our members strengthen and protect their companies.
