Mermaid Lynn™ Soap

Ingredients: Organic Sustainable RSPO Certified Palm Oil, Goats Milk, Water, Organic Coconut Oil, Organic Sunflower Oil, Safflower Oil, Sodium Hydroxide & Organic Shea Butter.

Now Made with Organic Ingredients*

*This soap is made with at least 70% Organic Ingredients

Each Full Size Bar measures approx 3.5" x 1" x 2.25" and 3.2 oz per bar minimum net weight.

Our Goats Milk soap is made by cold process and retains its natural glycerin, a humectant that draws in moisture. Many other soap companies remove the glycerin from their formulations. Our soap is wholesome, the natural way. Our Goats Milk soap is suitable for all skin types including sensitive skin. Goats milk contains skin-healthy proteins and makes our soaps feel luxurious with a creamy lather. Shea Butter is known in cosmetics for its moisturizing, emollient and anti-inflammatory qualities as well as vitamins A, D, F and essential amino acids. Shea butter is used for treating various skin conditions and may even protect against sun damage (not a sunscreen). Shea butter gives our soaps a rich moisturizing lather and helps prevent drying of the skin. All of our soaps are Ph balanced.

Our Goat Milk Soap is Fragrance Free and has a very light soapy smell. Uncured fresh goat milk soap may have a light ammonia type odor due to the reactions in the soap. We recommend curing the soap for an additional 3 weeks before packaging or re-selling at which time the scent will be that of lightly scented pleasant soap.
