HOW TO MAKE HIKING EXCITING FOR KIDS

At Carhartt, we appreciate hikers in all shapes and sizes. Hiking is a great experience for the entire family. That is if you can get the entire family away from their electronics and out into the great wide open. Part of encouraging your kids to go hiking is making it fun, and this especially applies to younger children.

So for all of those parents out there, here are a few of our favorite tips for making hiking exciting for kids!

SHORTER HIKES

Kids will be kids, and that means they will have short attention spans. Choose trails that are shorter or make a loop so you don't tire your children out too much. Also, plan on making many stops along the way. Remember your kids' legs are shorter than yours!

FUN SNACKS

When are kids not hungry? Pretty much never, and that's exactly why you should pack great snacks for your hiking trip. You could bring fruit, granola bars and other high energy snacks to keep your kiddos on their toes. Oh, and don't forget the water!

SWEATSHIRTS & HOODIES

Carhartt's hoodies work just as hard as Carhartt men and women. Hands down, Carhartt has the most durable sweatshirts around. When you need quality gear you can trust, like men's sweatshirts for work, you need a brand with a track record. You need Carhartt. Nothing is as reliable as Carhartt outerwear. We've field tested our gear through countless cold winters to be able to provide you with the best quality gear available. When you need to stock up on durable sweatshirts for women, look no further than Carhartt! Our hoodies and sweatshirts aren't just for work and everyday uses. When you need quality outerwear for long cold days on the hunt, our Realtree hoodies are the gear you need to stay comfortable and covered from the deer stand to the duck blind. No matter what the occasion you can count on Carhartt gear to work just as hard as you do so that you can outwork them all. When you see someone wearing the Carhartt logo, chances are you've laid eyes on the hardest working member of the team! When good enough just won't do the trick, you need the very best. Carhartt's outerwear is bar none. For quality gear that won't disappoint, choose the brand you trust, choose Carhartt.

QUILTED FLANNEL-LINED DUCK ACTIVE JAC — J140

Anyone and everyone who works outside can appreciate the cold-weather chops of this men's hooded jacket. Proudly made in the USA, it's built with water-repellent and wind-resistant rugged cotton duck. The body and hood are lined with quilted flannel for under-the-covers warmth.

MEN'S FISHING APPAREL

Nothing beats a day of fishing. Carhartt men know that whether you are casting on a boat, a dock, the bank or the middle of the river, few things compare to the feeling of catching a big one. While that feeling is awesome, we want you to feel comfortable too. That's why we created our line of fishing clothing and apparel. From hats to vests to shirts to shorts and more, we have you covered for those days you trade in a tool box for a tackle box, no matter the season. Whether you need a sweat-wicking shirt to wick away moisture and fight strong odors or a jacket that can hold its own in the pouring rain, you can find all of your fishing clothes needs here. With Storm Defender® technology that keeps water out and allows body heat to escape, our Shoreline Vapor jacket and pants are perfect for those summer storms. Our Britscoe fishing vest and Shoreline bib overalls for men are perfect for those days you spend chasing trout on rivers and streams. So, get out on the water. Those fish can swim, but they can't hide!
