Your cost could be \$49.99. Eligible customers get a \$10 bonus when reloading \$100.

Size: **Thermometer + 6 probes**

- **BLUETOOTH WIRELESS CONNECTION** - Ultra-long Bluetooth distance (100ft indoors, 170ft outdoors, which may vary depending on the surroundings) and super low power consumption. Easy to monitor and control from your iOS or Android devices through APP "EasyBBQ". An alarm tone will be signaled by the APP when the food is done, and you can observe the temperature curve with the APP as well. You will be freed from monitoring the cooking process. You can do any other things while cooking!
- **EASY SETUP, LARGE LCD DISPLAY & BACK-LIT** - No synch is required, and no need of the tedious setup steps; Large LCD displays both CURRENT TEMP and PRESET TEMP or TIMER in an intuitive way; Back-lit mode in low light condition.
- **PRE-PROGRAMMED TEMPERATURE & TIMER** - Download "EasyBBQ" APP from Apple Store or Google Play. You can set a high/low temperature range and the timer according to the USDA recommendation or your personal preference. All preset temps can be reset to your desired tastes manually.
- **6-CHANNEL TEMPERATURE DETECTION & WIDE APPLICATIONS** - Comes with 4 color-coded silicone probes and 2 full stainless-steel probes. You can connect 6 probes and monitor 6 different kinds of food at the same time. Whether it is Grill. Oven. Smoker. Baking. Coffee Making or Water Heating.
