Law Office: 106

RESPONSE TO OFFICE ACTION DATED 3/26/2019

This is response to Office Action dated 3/26/2019. The applicant, Chen Fuqiang, respectfully requests that the application be reconsidered.

BACKGROUND

Applicant Chen Fuqiang seeks registration of WINBOND for “Aprons; Earmuffs; Footwear; Gloves; Hats; Hosiery; Knit bottoms; Knit tops; Masquerade costumes; Pants; Raincoats; Scarfs; Socks; Stockings; Swimsuits; Tights; Underwear; Vests; Baby layettes for clothing; Bottoms as clothing; Girdles; Tops as clothing” in International Class 25. The trademark-examining

WINBOND

attorney has refused registration of the mark WINBOND

with

Serial No. 88214302 W WONBAND for “Sweatbands; Head sweatbands” in International Class 25.

APPLICANT’S ARGUMENT IN SUPPORT OF REGISTRATION

Applicant respectfully and legitimately disagrees with the Examining Attorney’s provisional decision for the reasons discussed below.

The text composition of the trademark WINBOND and the trademark W WONBAND are not the same.

WINBOND

The logo style of the trademark WINBOND

and the trademark

W WONBAND are very different, and consumers will not be confused at all.

Trademarks W WONBAND's goods only contain Sweatbands and Head sweatbands.

The goods of the trademark WINBOND are completely free of these two items, and the range varies greatly.

CONCLUSION

For the reasons listed above, Applicant respectfully submits that the trademark examining attorney should remove the refusal for the trademark WINBOND (Serial no. 88259266) for “Aprons; Earmuffs; Footwear; Gloves; Hats; Hosiery; Knit bottoms; Knit tops; Masquerade costumes; Pants; Raincoats; Scarfs; Socks; Stockings; Swimsuits; Tights; Underwear; Vests; Baby layettes for clothing; Bottoms as clothing; Girdles; Tops as clothing” in International Class 25.
