# Huntress Double Barrel Shotgun

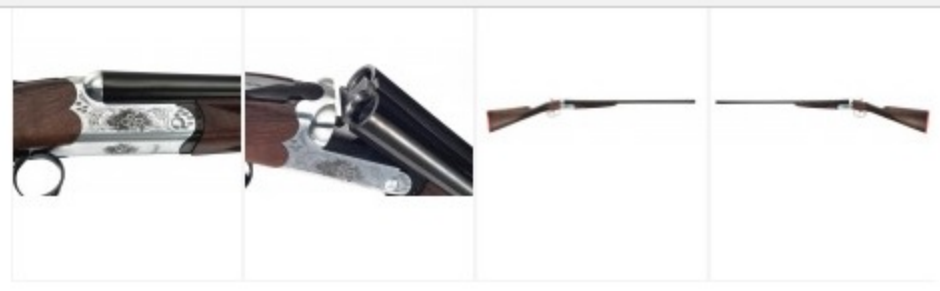

Be the first to review this product

The Huntress shotgun earns its hardy name, between the stunning engraving and the streamlined handling, it's a shotgun with the manageable shooting experience every shooter is on the hunt for. It's a light weight and reliable shotgun with high end finish details. The Huntress features a double trigger action, manual extractor, richly checked forend & stock with a rubber recoil pad, White steel frame with floral engraving, and a set of three interchangeable techni-chokes (including modified, improved cylinder, and cylinder). This shotgun has a 3" chamber allowing it shoot standard or magnum 28GA loads. This versatile model has every shooter falling in love when they handle it!
