

Introducing....

The Huntress™

A double barrel shotgun with class & streamlined handling.

The newest in the Taylor's lineup earns its lofty name – between the stunning engraving and the streamlined handling, it's a shotgun with the manageable shooting experience you've been on the hunt for. It's light weight and reliable performance means business. Offered in a 3 inch chamber, this shotgun can handle standard or magnum 28 Gauge loads. The Taylor's Huntress is manufactured with a double trigger action, manual extractor, and interchangeable chokes.

MSRP \$1795

*28 Gauge
3" Chamber*

28" Barrel with interchangeable chokes

Engraved white receiver.
