

## EXHIBIT B

1. Screenshot of Emerald Health Bioceuticals, Inc.'s website focusing on CBD to support the Endocannabinoid System.

The screenshot shows the Emerald Health Bioceuticals website product page for 'ENDO BRAIN'. The page features a purple header with a 'Get 20% off!' button and 'FREE SHIPPING ON ALL ORDERS'. The navigation menu includes 'Products', 'The Emerald Difference', 'Endocannabinoid System', 'Our Guarantee', 'Press', and 'Store Locator'. The main content area is titled 'BEYOND CBD' and lists five benefits: 'Doctor Formulated', 'More Comprehensive than CBD Alone', 'Full Spectrum Phytocannabinoid Support', 'Targeted Approach – Condition Specific Products', and 'Legal and Sustainable – ZERO cannabis, hemp or THC'. Below this is a row of five product boxes: ENDO CALM, ENDO BLISS, ENDO SLEEP, ENDO BRAIN, and ENDO INFLAME. The 'ENDO BRAIN' product is highlighted with a price of \$44.95 and a quantity selector set to 1. A green 'ADD TO CART' button is prominently displayed. Below the button, the text reads 'A NATURAL COGNITION SOLUTION\*' and 'Naturally supports mental acuity and cognition by nurturing and nourishing your endocannabinoid system.\*'. A 'SUPPORTS' section lists five benefits: Memory and cognition\*, Brain cell transmission\*, Protection of the brain from oxidative damage\*, Homeostasis (Biological balance of body and mind)\*, and Endocannabinoid receptor sites\*. At the bottom, there are four icons: VEGAN, GLUTEN FREE, PHYTO CANN, and SOY FREE.

2. Screenshot of Colorado Pot Guide’s definition of “Endo” to describe high quality marijuana.

The screenshot shows a web browser window with the URL [coloradopotguide.com/marijuana-glossary/endo/](https://coloradopotguide.com/marijuana-glossary/endo/). The website header features the PotGuide.com logo with 'colorado' underneath. A navigation menu includes links for STATES, DISPENSARIES, DEALS, BRANDS, STRAINS / REVIEWS, NEWS & CULTURE, and GUIDES. The main content area is titled 'Endo' and includes a breadcrumb trail: Home > Marijuana Glossary > Endo. Under the 'Definition' section, it states: 'Endo or "indo" is a word used to describe cannabis that is grown indoors, usually hydroponically. It's also a common term that refers to quality bud.' The 'Usage' section features a quote in a speech bubble: *"Smoking endo, sipping on gin and juice!" – Snoop Dogg*, accompanied by a small circular profile icon.
