Description

Supreme Nutrition Endo Supreme

Ancient cultures have used Endo as a muscle relaxant, an anti-inflammatory, general tonic, anti-arthritis, for hypoadrenia, and as an immune support. Studies have also shown it to increase libido while also increasing muscle endurance for athletics.

Primary Usage:

- Endocrine Adaptogen
- Libido
- Adrenals
- Fatigue
- Arthritis

Ingredients

Each capsule contains:

Suma root (Pfaffia paniculata) - 330 mg

Other ingredients: vegetable cellulose capsules

Axis Endo™ (formerly Estrium)

Specialized Support for Hormone Metabolism in Men and Women*

Axis Endo™ is a phytonutrient nutrition powder designed for men and women to help support healthy estrogen and testosterone metabolism and to help support bone, cardiovascular, and neurological function.* Axis Endo features key vitamins, minerals, and phytochemicals that influence pathways of estrogen and testosterone metabolism and may help reduce oxidative stress in sensitive tissues.* This multidimensional formula features flaxseed lignans, calcium D-glucarate and zinc.
