

Archival Essentials

A woman with long dark hair, wearing a white short-sleeved shirt and white gloves, is shown in a close-up, looking down at a document she is holding. She is in an archival or library setting, with stacks of papers and folders visible in the background. The lighting is warm and focused on her.

Clear Archival
Polyester Window

White

Black

Window Envelopes

While the inert, clear polyester window protects your images from dirt, dust and fingerprints, the buffered paper portion of these envelopes helps prevent damaging acids from forming. Especially made for your digital photographic images, these window envelopes are also great for any photo, print or document you wish to see, but not touch. Side seam construction allows you to stack or file evenly. Envelopes feature a non-adhesive flap to keep out dirt and dust. Choose from black or white. Price per package.

"Open Wide" Envelopes

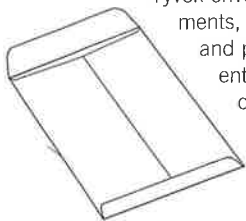

Seamless "Open Wide" envelopes offer unique storage for fragile documents and manuscripts. Items may be placed in or removed from these envelopes without damage in handling. Envelopes are acid-free and buffered for added protection against acid migration. They can be stored in flat files or in storage boxes. Self-adhesive Velcoins are useful as a fastening device (sold separately). Four sizes available. Price per package of 5.

Tyvek® Envelopes

Tyvek envelopes provide excellent protection for your documents, negatives and artwork and are also useful in storing and protecting books in need of repair. Dupont's patented and unique fiber-spun bonded olefin (a bonding of tough, durable high-density polyethylene) is made of continuous fibers and is so strong you cannot tear it. It resists water, chemicals, rot, mildew and won't discolor. Available in three standard sizes. No adhesive on flap. Price per 100 envelopes.

Lineco 100% Rag Gallery Mat Board ...at an affordable price!

We've taken the most popular colors of our 100% cotton rag mat board and made it available at the lowest price imaginable. And we didn't skimp on quality. This board is made with 100% cotton fibers, with solid color throughout. The 4 ply construction is buffered with 3% calcium carbonate and is acid-free and lignin-free - everything you want in a mat board. In addition to the 4 ply, we offer white rag mat board in 2 ply, 1 ply, and an unbuffered 4 ply version. Price per package.
