OFFICE ACTION

STRICT DEADLINE TO RESPOND TO THIS LETTER

INTERNATIONAL REGISTRATION NO. 1428161

STRICT DEADLINE TO RESPOND TO THIS NOTIFICATION: TO AVOID ABANDONMENT OF THE REQUEST FOR EXTENSION OF PROTECTION OF THE INTERNATIONAL REGISTRATION, THE USPTO MUST RECEIVE A COMPLETE RESPONSE TO THIS PROVISIONAL FULL REFUSAL NOTIFICATION **WITHIN 6 MONTHS** OF THE "DATE ON WHICH THE NOTIFICATION WAS SENT TO WIPO (MAILING DATE)" LOCATED ON THE WIPO COVER LETTER ACCOMPANYING THIS NOTIFICATION.

In addition to the Mailing Date appearing on the WIPO cover letter, a holder (hereafter "applicant") may confirm this Mailing Date using the USPTO's Trademark Status and Document Retrieval (TSDR) system at <http://tsdr.uspto.gov/>. To do so, enter the U.S. application serial number for this application and then select "Documents." The Mailing Date used to calculate the response deadline for this provisional full refusal is the "Create/Mail Date" of the "IB-1rst Refusal Note."

This is a **PROVISIONAL FULL REFUSAL** of the request for extension of protection of the mark in the above-referenced U.S. application. See 15 U.S.C. §1141h(c). See below in this notification (hereafter "Office action") for details regarding the provisional full refusal.

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issues below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SUMMARY OF ISSUES:

- Prior Pending Application
- Refusal under Section 2(d) – Likelihood of Confusion
- Identification of Goods and Services – Partially Indefinite
- Entity Type – Omitted

PRIOR-PENDING APPLICATION

The filing date of pending U.S. Application Serial No. 87626793 precedes applicant's filing date. See attached referenced application. If the mark in the referenced application registers, applicant's mark may be refused registration under Trademark Act Section 2(d) because of a likelihood of confusion between the two marks. *See* 15 U.S.C. §1052(d); 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, upon receipt of applicant's response to this Office action, action on this application may be suspended pending final disposition of the earlier-filed referenced application.

In response to this Office action, applicant may present arguments in support of registration by addressing the issue of the potential conflict between applicant's mark and the mark in the referenced application. Applicant's election not to submit arguments at this time in no way limits applicant's right to address this issue later if a refusal under Section 2(d) issues.

SECTION 2(d) REFUSAL – LIKELIHOOD OF CONFUSION

Registration of the applied-for mark is refused because of a likelihood of confusion with the mark in U.S. Registration No. 4936311. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the attached registration for the mark SYNERGY.

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods and/or services of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the “*du Pont* factors”). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Only those factors that are “relevant and of record” need be considered. *M2 Software, Inc. v. M2 Commc'ns, Inc.*, 450 F.3d 1378, 1382, 78 USPQ2d 1944, 1947 (Fed. Cir. 2006) (citing *Shen Mfg. Co. v. Ritz Hotel Ltd.*, 393 F.3d 1238, 1241, 73 USPQ2d 1350, 1353 (Fed. Cir. 2004)); *see In re Inn at St. John's, LLC*, 126 USPQ2d 1742, 1744 (TTAB 2018).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods and/or services. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) (“The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods [or services] and differences in the marks.”); TMEP §1207.01.

Facts

Applicant's mark is SYNERGYPANEL for “Goods and equipment for horse riding, namely, saddles, jump saddles, saddlery, saddle supports, saddle bags, saddle cloths, saddle blocs, saddle flaps, saddle risers, saddle pads, saddle panels, bridles, halters, reins, girths, breast collars, head stalls, brow bands, stirrups, stirrup leathers, harnesses, whips, crops, boots worn by horses, all parts associated with the aforementioned goods” in International Class 18.

Registrant's mark is SYNERGY for “Horseshoes; Metal horseshoes” in International Class 18.

Similarity of the Marks

When considering the similarity of the marks for purposes of a likelihood of confusion determination, marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)); TMEP §1207.01(b).

In the present case, applicant’s mark SYNERGY PANEL is similar to the registered mark SYNERGY PANEL in sound, appearance, and meaning. Both marks contain the term SYNERGY. Although applicant’s mark contains the combined additional wording PANEL, this difference does not obviate the similarity of the marks.

Although marks are compared in their entireties, one feature of a mark may be more significant or dominant in creating a commercial impression. See *In re Detroit Athletic Co.*, 903 F.3d 1297, 1305, 128 USPQ2d 1047, 1050 (Fed. Cir. 2018) (citing *In re Dixie Rests.*, 105 F.3d 1405, 1407, 41 USPQ2d 1531, 1533-34 (Fed. Cir. 1997)); TMEP §1207.01(b)(viii), (c)(ii). Matter that is descriptive of or generic for a party’s goods and/or services is typically less significant or less dominant in relation to other wording in a mark. See *Anheuser-Busch, LLC v. Innvopak Sys. Pty Ltd.*, 115 USPQ2d 1816, 1824-25 (TTAB 2015) (citing *In re Chatam Int’l Inc.*, 380 F.3d 1340, 1342-43, 71 USPQ2d 1944, 1946 (Fed. Cir. 2004)).

In the present case, the identification of goods shows that the wording PANEL in the applied-for mark is merely descriptive of or generic for applicant’s goods. Thus, this wording is less significant in terms of affecting the mark’s commercial impression, and renders the wording SYNERGY the more dominant element of the mark.

Further, where the goods of an applicant and registrant are “similar in kind and/or closely related,” the degree of similarity between the marks required to support a finding of likelihood of confusion is not as great as in the case of diverse goods. *In re J.M. Originals Inc.*, 6 USPQ2d 1393, 1394 (TTAB 1987); see *Shen Mfg. Co. v. Ritz Hotel Ltd.*, 393 F.3d 1238, 1242, 73 USPQ2d 1350, 1354 (Fed. Cir. 2004); TMEP §1207.01(b).

Therefore, when considering the overall commercial impression created by the marks, the marks are confusingly similar for likelihood of confusion purposes.

Relatedness of Goods

When considering the relatedness of the goods of the parties for likelihood of confusion purposes, the goods are compared to determine whether they are similar, commercially related, or travel in the same trade channels. See *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

The compared goods need not be identical or even competitive to find a likelihood of confusion. See *On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be “related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods and/or services] emanate from the same source.” *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

Here, applicant’s “Goods and equipment for horse riding, namely, saddles, jump saddles, saddlery, saddle supports, saddle bags, saddle cloths, saddle blocs, saddle flaps, saddle risers, saddle pads, saddle panels, bridles, halters, reins, girths, breast collars, head stalls, brow bands, stirrups, stirrup leathers, harnesses, whips, crops, boots worn by horses, all parts associated with the aforementioned goods” are related to the registrant’s “Horseshoes; Metal horseshoes” because entities commonly provide the goods and market them under the same mark. See attached evidence.

The trademark examining attorney has attached evidence from the USPTO’s X-Search database consisting of a number of third-party marks registered for use in connection with the same or similar goods as those of both applicant and registrant in this case. This evidence shows that the goods listed therein, namely equine boots, horseshoes, saddlery, etc., are of a kind that may emanate from a single source under a single mark. See *In re Anderson*, 101 USPQ2d 1912, 1919 (TTAB 2012); *In re Albert Trostel & Sons Co.*, 29 USPQ2d 1783, 1785-86 (TTAB 1993); *In re Mucky Duck Mustard Co.*, 6 USPQ2d 1467, 1470 n.6 (TTAB 1988); TMEP §1207.01(d)(iii).

Accordingly, the goods are related for likelihood of confusion purposes.

Conclusion

The overriding concern is not only to prevent buyer confusion as to the source of the goods, but to protect the registrant from adverse commercial impact due to use of a similar mark by a newcomer. See *In re Shell Oil Co.*, 992 F.2d 1204, 1208, 26 USPQ2d 1687, 1690 (Fed. Cir. 1993). Therefore, any doubt regarding a likelihood of confusion determination is resolved in favor of the registrant. TMEP §1207.01(d)(i); see *Hewlett-Packard Co. v. Packard Press, Inc.*, 281 F.3d 1261, 1265, 62 USPQ2d 1001, 1003 (Fed. Cir. 2002); *In re Hyper Shoppes (Ohio), Inc.*, 837 F.2d 463, 464-65, 6 USPQ2d 1025, 1026 (Fed. Cir. 1988).

In conclusion, the two marks are similar and the evidence shows that the goods are related. Therefore, a likelihood of confusion as to the source of the goods exists, and registration must be refused under Section 2(d) of the Lanham Act.

Although applicant's mark has been refused registration, applicant may respond to the refusal by submitting evidence and arguments in support of registration.

Applicant must respond to the requirement set forth below.

IDENTIFICATION OF GOODS

The word "parts" in the identification of goods must be clarified because it is indefinite and too broad. See 37 C.F.R. §2.32(a)(6); TMEP §§1402.01, 1402.03. This wording is indefinite because it does not make clear what the goods are. Further, this wording could identify goods in more than one international class. However, while the word "parts" alone is generally unacceptable for the reasons identified above, the wording "replacement parts therefor" or "structural parts therefor" is acceptable when it follows a definite identification of goods. See TMEP §1402.03(a).

In an application filed under Trademark Act Section 66(a), an applicant may not change the classification of goods and/or services from that assigned by the International Bureau of the World Intellectual Property Organization in the corresponding international registration. 37 C.F.R. §2.85(d); TMEP §§1401.03(d), 1904.02(b). Therefore, although the goods and/or services may be classified in several international classes, any modification to this wording must identify goods in the class(es) specified in the application for these goods. See TMEP §1904.02(c), (c)(ii).

Applicant may adopt the following identification, if accurate (please note that suggested amendments are in bold italics and suggested deletions are in strikethrough):

International Class 18

"Goods and equipment for horse riding, namely saddles, jump saddles, saddlery, saddle supports, saddle bags, saddle cloths, saddle blocs, saddle flaps, saddle risers, saddle pads, saddle panels, bridles, halters, reins, girths, breast collars, head stalls, brow bands, stirrups, stirrup leathers, harnesses, whips, crops, boots worn by horses, all ***structural*** parts associated with the aforementioned goods."

Applicant's goods may be clarified or limited, but may not be expanded beyond those originally itemized in the application or as acceptably narrowed. See 37 C.F.R. §2.71(a); TMEP §§1402.06, 1904.02(c)(iv). Applicant may clarify or limit the identification by inserting qualifying language or deleting items to result in a more specific identification; however, applicant may not substitute different goods and/or services or add goods and/or services not found or encompassed by those in the original application or as acceptably narrowed. See TMEP §1402.06(a)-(b). The scope of the goods and/or services sets the outer limit for any changes to the identification and is generally determined by the ordinary meaning of the wording in the identification. TMEP §§1402.06(b), 1402.07(a)-(b). Any acceptable changes to the goods and/or services will further limit scope, and once goods and/or services are deleted, they are not permitted to be reinserted. TMEP §1402.07(e). **Additionally, for applications filed under Trademark Act Section 66(a), the scope of the identification for purposes of permissible amendments is limited by the international class assigned by the International Bureau of the World Intellectual Property Organization (International Bureau); and the classification of goods and/or services may not be changed from that assigned by the International Bureau. 37 C.F.R. §2.85(d); TMEP §§1401.03(d), 1904.02(b). Further, in a multiple-class Section 66(a) application, classes may not be added or goods and/or services transferred from one existing class to another. 37 C.F.R. §2.85(d); TMEP §1401.03(d).**

For assistance with identifying and classifying goods and services in trademark applications, please see the USPTO's online searchable [U.S.](#)

[Acceptable Identification of Goods and Services Manual](#). See TMEP §1402.04.

ISSUE REGARDING APPLICANT'S ENTITY TYPE

Applicant must specify its legal entity and national citizenship or foreign country of organization or incorporation, as this required information is not included in the application. See 37 C.F.R. §§2.32(a)(3)(i)-(ii), 2.61(b); TMEP §§803.03, 803.04. This information is required for all U.S. trademark applications, including those filed under Trademark Act Section 66(a). See 37 C.F.R. §7.25(a)-(b); TMEP §1904.02(a).

Acceptable legal entities include an individual, a partnership, a corporation, a joint venture, or the foreign equivalent. See TMEP §§803.03 *et seq.* If applicant's legal entity is an individual, applicant must so specify and provide his or her national citizenship. TMEP §803.03(a). If applicant is a corporation, association, partnership, joint venture, or the foreign equivalent, applicant must so specify and provide the foreign country under whose laws applicant is organized or incorporated. TMEP §803.03(b)-(c). For an association, applicant must also specify whether the association is incorporated or unincorporated, unless the foreign country and the designation or description "association/associazione" appear in Appendix D of the *Trademark Manual of Examining Procedure* (TMEP). TMEP §803.03(c). If applicant is organized under the laws of a foreign province or geographical region, applicant should specify both the foreign province or geographical region and the foreign country in which the province or region is located. See TMEP §803.04.

To provide this entity information using the Trademark Electronic Application System (TEAS) [Response to Office Action](#) form, applicant must open the response form, answer "Yes" to wizard question number 5, find the "Owner Information" page, and do the following: (1) locate the "Entity Type" heading on that page and select "Other;" (2) locate the "Specify Entity Type" heading and select "Other" under the Foreign Entity option, and enter in the free-text field below both applicant's entity type and the foreign province or geographical region of its organization (e.g., partnership of Victoria); and (3) locate the "State or Country Where Legally Organized" heading and select the appropriate foreign country (e.g., Australia) under the Non-U.S. Entity option.

RESPONSE GUIDELINES

Response guidelines. For this application to proceed further, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see "[Responding to Office Actions](#)" and the informational [video "Response to Office Action"](#) for more information and tips on responding.

ASSISTANCE

Because of the legal technicalities and strict deadlines involved in the USPTO application process, applicant may wish to hire a private attorney specializing in trademark matters to represent applicant in this process and provide legal advice. Although the undersigned trademark examining attorney is permitted to help an applicant understand the contents of an Office action as well as the application process in general, no USPTO attorney or staff is permitted to give an applicant legal advice or statements about an applicant's legal rights. TMEP §§705.02, 709.06.

For attorney referral information, applicant may consult the [American Bar Association's Consumers' Guide to Legal Help](#); an online directory of legal professionals, such as [FindLaw®](#); or a local telephone directory. The USPTO, however, may not assist an applicant in the selection of a private attorney. 37 C.F.R. §2.11.

Please call or email the assigned trademark examining attorney with questions about this Office action. Although the trademark examining attorney cannot provide legal advice or statements about applicant's rights, the trademark examining attorney can provide applicant with additional explanation about the refusal(s) and/or requirement(s) in this Office action. See TMEP §§705.02, 709.06. Although the USPTO does not accept emails as responses to Office actions, emails can be used for informal communications and will be included in the application record. See 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-02, 709.04-05.

WHO IS PERMITTED TO RESPOND TO THIS PROVISIONAL FULL REFUSAL: Any response to this provisional refusal must be personally signed by an individual applicant, all joint applicants, or someone with legal authority to bind a juristic applicant (e.g., a corporate officer or general partner). 37 C.F.R. §§2.62(b), 2.193(e)(2)(ii); TMEP §712.01. If applicant hires a qualified U.S. attorney to respond on his or her behalf, then the attorney must sign the response. 37 C.F.R. §§2.193(e)(2)(i), 11.18(a); TMEP §§611.03(b), 712.01. Qualified U.S. attorneys include those in good standing with a bar of the highest court of any U.S. state, the District of Columbia, Puerto Rico, and other U.S. commonwealths or U.S. territories. See 37 C.F.R. §§2.17(a), 2.62(b), 11.1, 11.14(a); TMEP §§602, 712.01. Additionally, for all responses, the proper signatory must personally sign the document or personally enter his or her electronic signature on the electronic filing. See 37 C.F.R.

§2.193(a); TMEP §§611.01(b), 611.02. The name of the signatory must also be printed or typed immediately below or adjacent to the signature, or identified elsewhere in the filing. 37 C.F.R. §2.193(d); TMEP §611.01(b).

In general, foreign attorneys are not permitted to represent applicants before the USPTO (e.g., file written communications, authorize an amendment to an application, or submit legal arguments in response to a requirement or refusal). See 37 C.F.R. §11.14(c), (e); TMEP §§602.03-.03(b), 608.01.

DESIGNATION OF DOMESTIC REPRESENTATIVE: The USPTO encourages applicants who do not reside in the United States to designate a domestic representative upon whom any notice or process may be served. TMEP §610; see 15 U.S.C. §§1051(e), 1141h(d); 37 C.F.R. §2.24(a)(1)-(2). Such designations may be filed online at <http://www.uspto.gov/trademarks/teas/correspondence.jsp>.

/Kim L. Parks/
Trademark Examining Attorney
Kimberly L. Parks
Law Office 112

kimberly.parks@uspto.gov

TO RESPOND TO THIS LETTER: Go to http://www.uspto.gov/trademarks/teas/response_forms.jsp. Please wait 48-72 hours from the issue/mailling date before using the Trademark Electronic Application System (TEAS), to allow for necessary system updates of the application. For *technical* assistance with online forms, e-mail TEAS@uspto.gov. For questions about the Office action itself, please contact the assigned trademark examining attorney. **E-mail communications will not be accepted as responses to Office actions; therefore, do not respond to this Office action by e-mail.**

All informal e-mail communications relevant to this application will be placed in the official application record.

WHO MUST SIGN THE RESPONSE: It must be personally signed by an individual applicant or someone with legal authority to bind an applicant (i.e., a corporate officer, a general partner, all joint applicants). If an applicant is represented by an attorney, the attorney must sign the response.

PERIODICALLY CHECK THE STATUS OF THE APPLICATION: To ensure that applicant does not miss crucial deadlines or official notices, check the status of the application every three to four months using the Trademark Status and Document Retrieval (TSDR) system at <http://tsdr.uspto.gov/>. Please keep a copy of the TSDR status screen. If the status shows no change for more than six months, contact the Trademark Assistance Center by e-mail at TrademarkAssistanceCenter@uspto.gov or call 1-800-786-9199. For more information on checking status, see <http://www.uspto.gov/trademarks/process/status/>.

TO UPDATE CORRESPONDENCE/E-MAIL ADDRESS: Use the TEAS form at <http://www.uspto.gov/trademarks/teas/correspondence.jsp>.
