## Why We're Different

We're governed by federal banking regulations, but we're not a bank—we're a family. When you join TopLine Federal Credit Union, you become a member-owner. And because this institution is democratically controlled by its member-owners, that means all profits are returned to you. It also means TopLine can offer more competitive savings and loan rates, fewer fees and the highest levels of personal service. So while we provide all the vehicles you need to reach your financial goals—you're always in the driver's seat.

# Mission & Vision

## Mission Statement

Dedicated to building life-long relationships to help you reach and manage your personal financial goals.

## Vision Statement

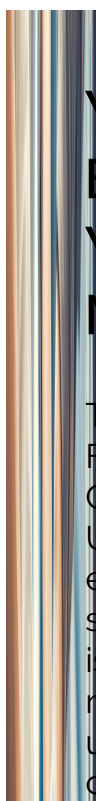

To be a trusted member-owned financial services cooperative and your partner for life.

## Our Story

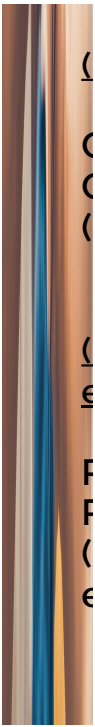

TopLine was chartered in 1935 when seven employees of the Bell System pooled \$35 to create Minneapolis Telco Credit Union—and we've been growing ever since. With the breakup of the Bell

System in the '80s, membership was expanded to include additional employee groups. In the 1990s, we converted from a state charter to a federal charter, then expanded our membership reach again in the 2000s.

Today, we serve the entire Twin Cities area—with five locations, over \$470 million in assets and over 44,000 current members within our TopLine family. Our growing financial cooperative offers membership to individuals and their immediate families who live, work, worship, attend school or volunteer in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott and Washington in Minnesota. So you can always count on finding a TopLine Federal Credit Union near you.

## Building up Communities

At TopLine Federal Credit Union, we're committed to the betterment of the communities we serve. After all, we live and work in these communities too. With the help of our employees, corporate partners and member volunteers, we've put our pride and passion into supporting local charities, sponsoring community events and becoming a valued community resource for high-quality financial

education. In fact, we've won several national awards for our efforts in providing financial literacy education for both youth and adults. But we can always do more. That's why we've established TopLine Credit Union Foundation—where members and friends can discover exciting new ways to care, connect and contribute.
