I'm not impressed

September 13, 2019

Format: Calendar **Verified Purchase**

This is the second disappointing Thomas Kankade studios calendar that I purchased and I can't tell I'm satisfied. I just think that the paper quality is very low. Images are not crisp and nice. I use calendar's pictures for crafts and I rely on quality . This calendar's pictures are not what I would expect from both Disney and Kinkade . Lang Calendars are a lot better .

Beautiful

August 2, 2019

Format: Calendar **Verified Purchase**

I am a huge Disney fan, and this calendar is beautiful. I purchased this for my office as my current calendar runs out in August. This one is advertised as having September-December 2019 as well as 2020. Well, September, October, November, and December are all on one page, pretty small. If all 16 months were full page this would surpass 5 stars.

These are my absolute favorite calendars. When I look at it, it brings me back to my childhood. The pictures are so beautiful and magical. I buy one every year.

Not what I thought I was getting. But still worth it.

September 30, 2019

Format: Calendar **Verified Purchase**

Overall this is a pretty good calendar. I wish it would have shown before I bought it but the pictures were fully though. I thought I was buying something similar but with one major difference oh, that I did not discover until after opening it. This does not have the Beauty and the Beast artwork in it. Though does have some that I haven't seen yet. I liked it enough to keep it, even with missing my favorite piece.
