## International Foot & Ankle Conference NEW YORK

### OVERVIEW

The third annual International Foot & Ankle Conference (IFAC™) held in New York is a surgical intensive and education based meeting. It is designed for Foot and Ankle surgeons who possess a working knowledge of the many challenges associated with the management of complex foot and ankle issues related to trauma, sports injuries and reconstructive procedures. The course information will be transmitted through interactive symposium, debate, case presentation and surgical skills workshops.

This IFAC educational and training conference is sponsored by the Ohio Foot and Ankle Medical Foundation with an unrestricted grant from In2Bones USA, Memphis, TN.

### COURSE OBJECTIVES

Upon conclusion of the IFAC™, course attendees will be able to:

- Compare and discuss surgical and non-surgical treatment protocols for a variety of frequently seen disorders of the foot and ankle.
- Be knowledgeably informed regarding lower extremity conditions, maladies, or circumstances relating to the practice of foot and ankle surgery.
- Compare, contrast, and evaluate judgment values for those ideas presented between medical and surgical applications.
- Analyze the appropriate modalities in the treatment, care, and protocols of current trends, application, and practices of medicine and surgical intervention.

### CONTINUING EDUCATION

**This Conference has been accredited by the Ohio Foot and Ankle Medical Foundation as an approved sponsor by the Council on Podiatric Medical Education (CPME).** This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint sponsor agreement between the Ohio Foot and Ankle Medical Foundation and In2Bones. The Ohio Foot and Ankle Medical Foundation has approved this activity for a maximum of 15 continuing education contact hours.

**NONDISCRIMINATION:** No person shall be denied registration or participation with this continuing education program for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please notify our staff when registering if you require special accommodation for training or attendance at (844) 602-6637.
