BATTERIES

**OOZE SLIM TWIST PRO**  
TWIST BATTERIES

Forget all vape pens you've smoked before...the Ooze Slim Twist PRO battery blows all other vaporizers out of the water! Featuring the new preheat mode (15 seconds of continuous heating without holding the button) and adjustable temperature settings, which change with the turn of the bottom dial. Compatible with all oil, concentrate, and essential oil cartridges with a 510 thread, and voltage settings range from 3.3V to 4.8V.

OOZE

**OOZE CRUZE**  
EXTRACT BATTERY KIT

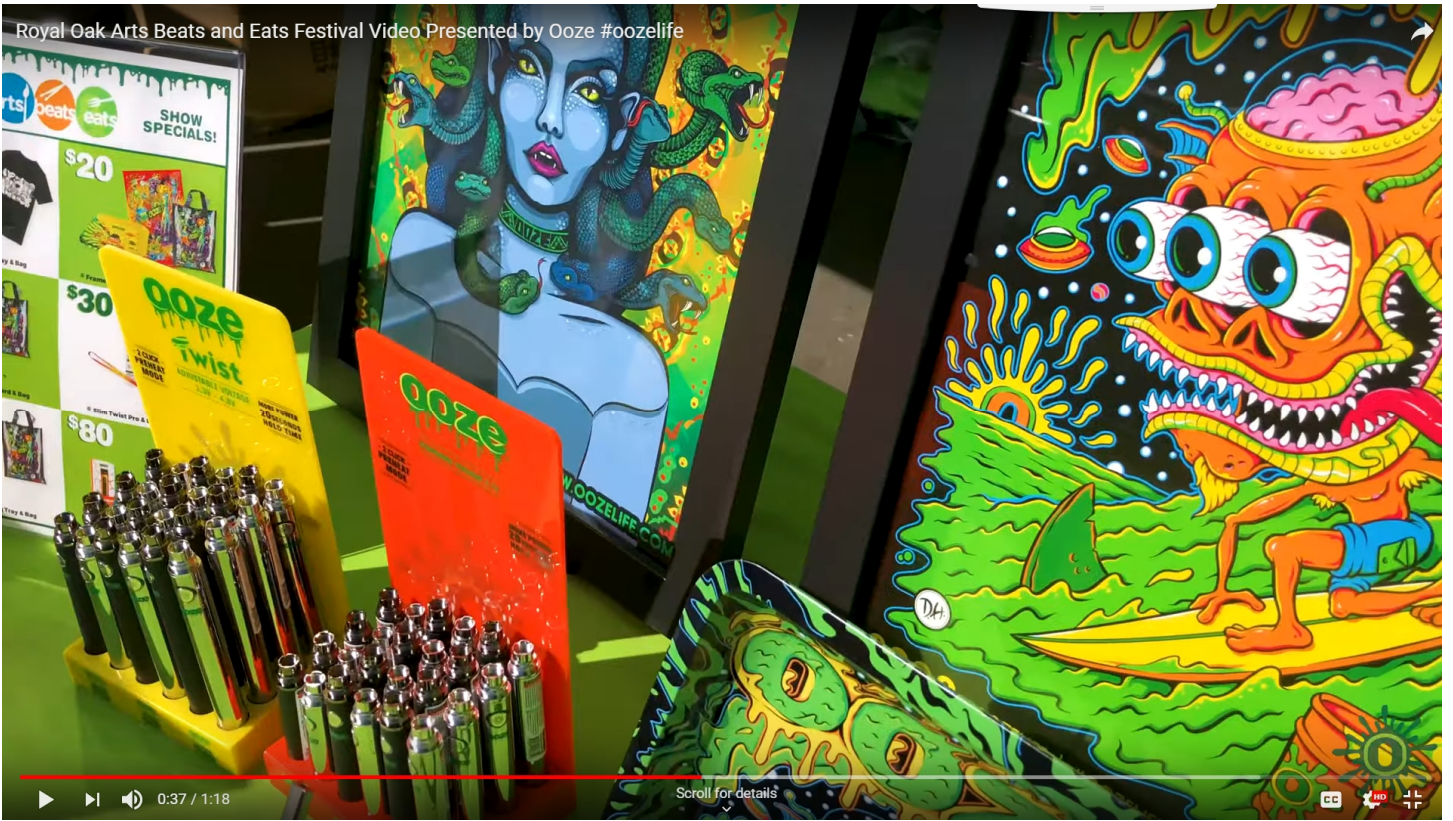

The perfect travel companion, the Cruze fits in your pocket better than any other vaporizer battery on the market. Features include a 15-second preheat mode and temperature control options: 3.5V, 3.8V, and 4.2V. Each kit includes a Cruze 650 mAh battery, micro USB charger, and two 510 thread magnets.
