- Jacket---The professional coated fabric that makes the jacket waterproof and wear resisting. Lining and durable fabric which guarantees the best heat retention. Relaxed-fit style with quick-dry material. Keep you dry and give you a more comfortable experience when you are outside. Perfect for rainy, misty or chilly weather.
- Jacket---Windproof: 1) Adjustable cuffs, stretchable glove with thumb hole help seal in warmth. 2) Inside windproof snap powder skirt, internal drawcord hem, detachable and adjustable storm hood help to keep wind out. 3) Wear resisting soft shell is highly wind resistant.
- Pant---The multi-layered construction of the Insulated Snow Pant features advanced lightweight insulation with heat-trapping micro chambers that help keep you warmer than traditional insulation. The outer shell is laminated to a breathable high-tech material that wicks body moisture away to keep you dry during outdoor exercise or play. All critical seams are reinforced and sealed for a truly wind and water resistant garment.
- Pant---Less bulk and more flexibility, keeps you warm without weighing
